East House Founder Passes

Paul Wolk, one of the founders of East House, has passed away. Wolk, of Hume, Virginia, died on May 28th at the age of 93. Along with Hettie Shumway, Justice David Boehm, Ralph Collins, M. D., James Sterner, M.D. and Hilton Hedrick, Wolk, a former local businessman, was instrumental in forming and incorporating East House as a non-profit agency in 1966. Each of these founders contributed their time, expertise, and personal resources to create East House, and today, Wolk House on Portland Avenue is so named in honor of Paul's dedication and commitment to the agency. Wolk also served as the first Board President of East House.

"Paul Wolk will be missed, but never forgotten," stated Jim Sorrentino. Wolk's family has designated East House to receive contributions in his memory.
